

NATIONAL DOULA CERTIFICATION BOARD

Pre-Approved Continuing Education Provider List

The following list includes organizations that have pre-approved status as a continuing education provider. Any courses or educational contact hours taken from any of the following organizations will be automatically approved by the NDCB. Proof of completion along with course title and instructor name are required on all documentation submitted to the NDCB for recertification. Any courses taken outside of the following organizations will need to be individually approved by the NDCB.
